Accommodation:

Accommodation for the participants will be provided at Canine Training Center, Gajary (Slovakia) free of charge. Participants have at their disposal a fully equipped kitchen, laundry facilities, bed and sheets and towels in the accommodation. Wi-Fi is available.

There are outdoor kennels available for service dogs of the participants.

Parking:

Parking of the vehicles will be in a closed area of the Canine Training Center next to the accommodation.

Meals:

Participants arrange their own food by themselves (a small pizzeria and a two grocery stores can be found about 2,5 km from the training center. There is also food delivery to the resort from several restaurants in the area. The average price of the lunch menu is 7 euros.).

We would like to inform you that the grocery stores and restaurants near the Canine Training Center will probably be closed on Sunday evening, so we recommend you to bring some food with you (you can use the fully equipped kitchen).

Dress code:

We are kindly requesting you to bring your national practicing uniform.

Leisure activities for participants:

Small fitness facilities are available for participants at the Canine Training Center. The surroundings of the resort are ideal for walking with dogs, running, Nordic walking. Small Morava river flows nearby. In case of interest, there is the opportunity to visit the Old town of Bratislava, Bratislava Castle, Devin Castle etc.

Another information:

Due to the fact that the center is located at the end of the village, the signal of the telephone operators is weak.
